COMING SCHOOL EVENT.

Annual Holt County School and Track Meet at Craig April 29

Don't miss the big school and track racing to be held at Craig, Mo., on April 29. Every school in the county is going to take part in making this one of the best meets ever held in Northwest Missouri. This meet is composed of grade and high school students from the various schools of Holt county. We have many athletes in our schools who are real athletes, and they are being trained very efficiently in the technical points of gymnastics by their coaches. Not only will you see the Marathon racing and the Olympic Pole vaulting and hurdling, but you will also have a chance to witness oratorical utterances and vibrations of Demosthenic type. Physical and mental culture will be explicitly demonstrated by the students of our home schools. This we want to see since the boys and girls are doing everything possible to show the people what it actually means to be physically and mentally fit to perform duties of a complex nature. By our giving the boys and girls a boost in this important matter, it will encourage them to perform and continue their scholastic duties in a more diligent manner than ever before. Their success in life depends primarily upon the courtesy and co-operation that we give them.

Implements Reduced 10%

How do you figure cost on the implements you buy? One should not figure the cost all in one season; a good implement will last a number of years, so the cost per year is small, even though the price seems high. Suppose a lister costs \$45.00 and lasts ten years, \$4.50 wouldn't be much for a season would it?

If you need implements we would be pleased to show you the International line.

NOTICE TO THE PUBLIC.

As some of our customers have been informed that Quinn's Livery Line did not make trains during the recent snow storm, we are taking this opportunity of informing the public of the exact facts.
We were first to carry passengers from Oregon to Forest City. We were first to get out Saturday and break a road around by the Davis ranch to Oregon and carry passengers, and we had no opposition in this. We had no competition at the trains until Sunday afternoon at four o'clock, except one trip on Saturday night after we had broken the road to Oregon.
Thanking our customers and assuring them of good service, careful driving and safe transportation, we are,

AGNES NEUDORFF IS PRAISED BY SCOTT.

Miss Agnes Neudorff, daughter of Mr. and Mrs. Fred Neudorff, is continually scoring successes in New York City. Recently she sang before Scotti, the great Metropolitan baritone, who is representing the management of the opera company. He praised her voice and told her that it was an excellent and beautiful dramatic soprano, possessing qualities of great promise.
Miss Neudorff will sing twice at the spring festival of music in New York City, her instructor, Herbert Witherpoon, making this request. He has said that he expects her to be enthusiastically received. He is giving her special attention at present, giving her four lessons without charge each week in addition to her two regular lessons.

Another triumph is the promise of both Pierre V. R. Key and John C. Freund to hear her at the festival and give her the benefit of their criticism of her art.
Miss Neudorff has received many offers to sing next season, but will not sign a contract with any manager until she returns to New York in the fall. —St. Joseph Gazette, April 24, 1921.

Dear Friends:—We are in our new home in Jefferson City, and think we are going to like it fine. Have Finley in school. Have a splendid high school. John likes his work quite well. Now, will you please send the Sentinel to 122 W. Millis street. I miss it so, and have missed several numbers in our moving. If you ever visit Jefferson City, hunt us up. We certainly would enjoy a visit with you.

—Mrs. Arch Brown, of the Harmony school district, near Maitland, was elected a school director of that district at the annual school election on Tuesday, April 5. In a previous issue we stated that Mrs. Rebecca Buckminster, of Corning, had been elected at this time, and was the only woman ever elected as a school director in Holt county, but Mrs. Brown will now divide the honors with Mrs. Buckminster.
